

JASON GARANG

Enthusiastic with a growth mindset, a Detail-oriented person with a desire to work in a rewarding environment, Executive and always ready to learn.

EXPERIENCE

Maasai Africa Safaris, Nairobi — Sales Executive.

September 2018 - February 2019

I engaged in sales executive training that included researching and making marketing database targeting clients, made cold calls to potential clients, organising sales visits to clients for presentations, writing quotations, and making follow up calls to finalise sale deals.

Tunapanda organisation, Kibera Nairobi — Apprentice.

January 2018 - September 2018

A non-profitable organisation institute that provides learning in Tech, Business and Design. Being an Apprentice, gives me the opportunity to exploit and perfect my tech fields of focus.

Wekavenue LTD, Nairobi Kenya — co-founder

November 2017

Wekavenue is a website platform that connects venue hosts/ hoteliers with customers. The customers come to the website and search for a suitable venue to host either the planned event whether a meeting, conference or wedding.

e-RG/ELite, Kenya — Panelist

November 2017 - MONTH 20XX

e-RG is a panel which assists companies to get research feedback from surveys on their Products and services.

SKILLS

I have a different set of skills which were acquired from being a trainee and self-taught.

- Researcher
- Web Developer
- Computer Programmer
- UX interface
- Web App developer
- Article writer

Achievements

Certell usability testing conduct a comprehensive research aimed at identifying the best practice of distributing content through their app to consumers who have limited data connections.

CBO Signatory

I am among Tunapanda's Community based organisation signatories, giving me financial decision-making skills.

Good things foundation, Kenya — Research

June 2018 - August 2018

Good Things Foundation is a social change charity, helping people to improve their lives through digital, working in thousands of communities across the UK and internationally.

I was among the team that did digital research in all the Kenya National Libraries currently using Learn My Way

(kenya.learnmyway.com) on the impact, the platform was having in Kenyan communities.

EDUCATION

Tunapanda, Kibra — Information technology certificates.

July 2017- October 2017

Joined Tunapanda for a three months intensive computer training, Where the courses taught are IT, Business & Design. Which I successfully completed and got Certificates in different areas of the named sections.

Railways Training Institute, South B NRB — Diploma.

SEPTEMBER 2016 - MONTH 20XX

Studying Electrical Engineering which I am passionate about. It was a dream career since I was a little boy and am happy am still pursuing it.

Gatunguru High School, Kiambu - KCSE.

March 2012 - November 2015

Completed my four years of secondary study. Sat for the Kenya general examination and attained the Kenya national examination certificate.

Donholm Primary, Embakasi - KCPE.

March 2004 - November 2011

REFERENCES

Available upon request.

Successful Market Research

Did a Research on the Wekavenue market both on the customer and the Venue hosts.

Developing Websites

I have been developing websites since I gained interests in the computer programming language.

Blockchain hackathon.

I participated in a blockchain hackathon that was based on coming up with startup ideas that may better the lives of Kenyans.
